Community Lay Director Comments

Dear AE Community –

What a blessing it has been to see God at work in our Community. There was a very large crowd of new Pilgrims at the DoDU on Saturday learning about Sponsoring, Teaming and the many opportunities there are to be servants for God to our area through the Emmaus movement. Our thanks to Faye Banner for her service and leadership in heading up the DoDU.

It is the AE Board’s pleasure to announce to the Community the Lay Directors for our fall 2008 and spring 2009 walks. They are:

Men:

- AE #78 – Tommy Jones (Fall 2008)
- AE #81 – Kenny Pekrun (Spring 2009)

Women:

- AE #79 – Elaine Hughes (Fall 2008)
- AE #80 – Jennifer Gamiel (Jan. 2009)
- AE #82 – Jessica Lynam (Spring 2009)

I extend a special “Thank You” to each of these leaders for their willingness to serve and I ask that the entire Community begin praying for these leaders now and the walks they will be leading during the coming year.

Please begin immediately recruiting Pilgrims for these fall walks. I believe everyone in this Community has someone’s name in their heart they want to sponsor; it is time to reach out to that special friend!

And don’t miss our Gathering & Board Elections May 10th at Plymouth Church of Christ. We have a ballot below which you may complete beforehand and bring with you to the May 10th gathering, or mail it to arrive before May 3rd. Hope to see you there.

DeColores!

— Mike Twiddy

Praising the Lord: AE 77 Lay Director Comments

Praise the Lord for our God showing up and showing off for the Team and Pilgrims of AE 77! We were truly blessed as the Lord did for us just as He had promised through His word in Isaiah 43:18-21. "Forget about the former things: do not dwell on the past. For I am about to do a "brand-new" thing! See, I have already begun! Do you not see it? I will make a pathway through the wilderness for my people to come home. I will create rivers for them in the desert...Yes, I will make springs in the desert, so that my chosen people can be refreshed. This people I formed for myself; they shall declare my praise!"

I thank God for the servants He called together to serve and their willingness to Praise the Lord and allow Him to work through them. "He can work through those who Praise Him. Praise the Lord! "The pilgrims were so ready to join in to praise our Lord and I believe He honored their praise and the enemy was defeated! The Lord met them at their place of need and God's people were blessed!

Thank you all for your prayers and support throughout the weekend! I truly believe our Emmaus Community once again touched the heart of God by ministering to His people in love.

Be blessed and remember. He can work through those who praise Him, so Praise the Lord!

Love you all!

Jo Anne Jones :-)

The Lord's Work on Bertie Kairos #1

God's Special Time

Getting out of the box ... leads to out of this world. That is how the team of Bertie Kairos #1 felt as God showed up to once again to prove that He is in these weekends! The prison welcomed us with open arms and God's awesome power was evident as men surrendered to our Lord Jesus The Christ. Gang members renounced their affiliations, Christians renewed their relationships with God, and lost sheep came home. When all is said and done, we hand it to God and ask Him to bless the meager efforts we have made, and amazingly, He does. Stepping out in faith means that Kairos will be in Bertie Correctional

until His return, and that is good. Kairos brings hope, a hope for new life and eternity, and a very present hope for every day life. The family (church) of God is strengthened, and men can try to live in harmony and peace. We wish to thank everyone who assisted us in holding Kairos #1 in Bertie, and ask you to continue to pray for us.

Thank you and God bless you.

Rod Mumma/Tony Hughes

Cookies for Kairos PCI-17

Kairos helps build strong Christian communities inside prison walls. Cookies are just one form of Agape used during a Kairos weekend and PCI-17 needs 2,000 dozen Chocolate Chip Cookies. PCI-17 still needs your cookies. A group will be baking cookies starting about 4pm at Edenton UMC on Tuesday, April 29th and anyone wishing to help is welcome to join in. Cookie guidelines have been printed in previous newsletters. You can bring your Agape Cookies to Ramoth Gilead Baptist Church, 1308 School House Rd, Elizabeth City, NC, on the north side of north of US 158 west of South Mills, Thursday, May 1st, or give them to one of the PCI-17 team members listed below. And please pray for team and participants starting today.

Chrysalis News

Continue to pray for the Albemarle Chrysalis Board and a possible summer Chrysalis Flight. However, do not stop with prayer . . . we need to take action. The Board is still considering the possibility of a summer Flight but in order for a Flight to take place there must be enough Team & Caterpillar applications submitted to justify a flight. Time is running out to complete the necessary logistical details. The Board asks that you **PRAY** about this event and submit your applications. We will have more information at our May Gathering in Plymouth.

A Few Reminders

Let's take time to be courteous and remember to turn off cell phones and pagers, or at least switch them to silent mode, when attending Gatherings. We should always clean up behind ourselves so the church is ready for morning worship services when we leave. If you have not seen someone from your table at a Gathering lately, give them a call. A single clap is all that's needed on introductions, generally after a coordinated "WE LOVE YOU!"
