## Community Lay Director Comments

“The world marked last Sunday as the 63rd anniversary of Dietrich Bonhoeffer's death. Bonhoeffer was a 20<sup>th</sup> century German Lutheran pastor executed for his involvement in a plot to assassinate Adolf Hitler. Bonhoeffer was a man of faith who could not bear the way that Hitler desecrated creation and could not bear the way that Hitler used the name of God to justify the obscenity of his actions.

On April 9<sup>th</sup>, 63 years ago, Bonhoeffer led prayers with this fellow prisoners. A guard came into their midst and said: “Prisoner Bonhoeffer, get ready and come with us.”

Bonhoeffer quickly wrote a message to his family and friends. A message that proclaimed resurrection: “This is the end... for me the beginning of life.”

I want to share an account of what happened the week before his execution. Because it is a story of the resurrection.

Shortly before his death, Bonhoeffer's fiancée, Maria, came to visit him. They were made to sit side by side on a sofa, talking loudly enough for the guards to hear their every word, and without touching. They knew that the time was near when they would never see each other again. They knew that the space between them would have to serve as conduit of the profound love that they shared. When the visit was declared over, Maria went to the door at one end of the room and Bonhoeffer was taken to the door at the other end.

Just as Maria was about to go out of the room, she turned and ran across the room, away from the guards, and rushed into Bonhoeffer's arms. And they could feel, one last time, the power of love, made touchable.

Their love would not be contained. The tomb of a prison cell could not contain it.

That rush to embrace. That insistence upon love and life beyond any policing or limits. God's gifting of resurrection.”

We are Easter people!

Christi Quance

# Albemarle Emmaus Community Prayer Requests

**Please Note:** Requests are offered as a ministry to the community. Concerns are listed for Community PRAYER, not as a way to pry into the lives of others. Not everyone wants intimate details of their life made public even to pray for them. Please, before adding to a prayer list, verify that someone wants to be on the list. The listing of any prayer request does not imply an endorsement of nor commentary on the beliefs of any writer. We do, however, reserve the right to edit requests, or withhold distribution all together, if deemed necessary. Pray as you feel led.

## Albemarle ChrysalisNews

As noted before, the team fee for our summer flight AC-32 has been reduced to an affordable \$150. The applications have not been changed to reflect this price reduction because this is a one-time change. When completing your team application just add a line under the present \$200.00 one to say \$150.00 for AC 32 and cross through the \$200. Now is the time to get those applications in. We still need team members. We need Caterpillars too. So do not delay, get into action today.

Don't forget to mark your calendar for the Chrysalis Reunion and gathering 3pm Saturday, April 25th at New Hope Christian Fellowship in Elizabeth City. Butterflies from AC #1 to #31 are invited to join us for an afternoon of fellowship, praise and worship and of course, good food. Dinner will be provided free of charge to each youth and the evening service will wrap up around 9pm. Please encourage all youth in your church ages 15 and older to attend this exciting event. It is open to all youth, not just Chrysalis alumni. Spread the word. For more info please contact Thomas Patrick, Donna Harris or Bernie Jones.
